

BIRDIES FORE BLUES

**Memorial Villages
Police Department**

The brave men and women of our Memorial Villages Police Department have our backs every day. Join us in showing them we have theirs too.

"It is our job as coaches to ensure that our student athletes improve athletically, but more importantly improve as people. I see Birdies Fore Blues as a special chance for players and the community to support a cause bigger than themselves, while enjoying the game we love. It is an excellent opportunity for all involved."

Dear Memorial Villages Police Foundation Supporter,

The Memorial Villages Police Department is honored to join The Memorial Villages Police Foundation and the Jim and Amy Lee Family Fund in presenting the 2021 Birdies for Blues Golf Tournament.

The Memorial Villages Police Foundation has been assisting First Responders from across the region for many years during times of hardship and crisis. Assistance has included everything from financial assistance after significant weather events, helping reunite families after a death or serious injury, purchasing personal safety equipment for officers, to organizing supply caravans that have delivered needed emergency supplies to Police Officers and their families in Louisiana.

During hurricane Harvey, the MVPD Foundation assisted law enforcement families with emergency housing and later with assistance to reestablish their homes. The Foundation plays a very valuable role in recognizing the contributions that our officers and their families make in serving the Memorial Villages Community.

In February of 2021 we will be joining the MVPD Foundation Board of Directors and the Jim and Amy Lee Family Fund in hosting the Birdies for Blues charity Golf Tournament at the Clubs of Houston Oaks, Golf Course. The Clubs at Houston Oaks is a 1,000-acre world class private facility located a short drive northwest of Houston in Hockley, Texas.

Please plan now to join us for a day of fun, friendship and golf on February 18, 2021. The format for this unique event will consist of 4-player teams, including 2 players designated by the Team Sponsor, a young Memorial area sports star, and a Memorial Villages Area Police Officer or first responder.

As always, the Men and Women of the Memorial Villages Police Department appreciate the strong partnerships and the support of the Memorial Villages Area Community. We hope to see you on February 18th, 2021.

Sincerely,

Ray Schultz
Chief of Police
